

## May is Older Americans Month

May is a month of fresh beginnings. Perennials bloom once again, blazing a trail of bright color. May is also when we celebrate Older American's Month, acknowledging the perennial contributions of older adults to our nation, and raising awareness about important issues facing older adults.

When Older Americans Month was established in 1963, only 17 million living Americans had reached their 65th birthday. About a third of older Americans lived in poverty and there were few programs to meet their needs. Interest in older Americans and their concerns was growing. A meeting in April 1963 between President John F. Kennedy and members of the National Council of Senior Citizens led to designating May as "Senior Citizens Month," the prelude to "Older Americans Month."

Historically, Older Americans Month has been a time to acknowledge the contributions of past and current older persons to our country, in particular those who defended our country. Every President since Kennedy has issued a formal proclamation during or before the month of May asking that the entire nation pay tribute in some way to older persons in their communities.

MA Rep. Brad Hill and SeniorCare's Meals on Wheel Driver Rev. Glenn Prescott of the Immanuel Baptist Church in Ipswich delivered Meals on Wheels lunches to seniors in Ipswich as part of the March for Meals nutrition awareness campaign.

The Volunteer Fair was organized by RSVP Volunteers of the North Shore which is locally sponsored by SeniorCare and federally funded through the Corporation for National and Community Service. The event was made possible through a grant from the Massachusetts Service Alliance, with support from SeniorCare and Cruiseport.

Elder Law Attorney Natalie Simon and SeniorCare Board member presented "Protecting Your Assets" to a packed house in SeniorCare's Myra Herrick Conference Room on a very rainy and windy night in April.

## Employee Spotlight: Jaye Erwin, Reception

Jaye Erwin is the morning receptionist at SeniorCare Inc. I sat down with her to chat while she was working. Jaye is the calmest and most serene receptionist I have ever known. Answering the phone, speaking with consumers, and transferring them to the right person simply becomes an extension of who she is, there was a natural flow from conversing with me and

answering the phone. It was not an interruption, rather a part of the conversation.

"I'm just calm," she said about her demeanor. "I think I got it from my dad."

Jaye has worked at SeniorCare for two and a half years and loves it.

As a child Jaye spent a lot of time with her grandmother and her grandmother's friends which had led to a lifetime affinity for elderly people. "I'd love to save everyone's soul, but I can't," she said reaching to answer the phone.

Jaye may have gotten her mild manner from her dad, but her passion for cooking came from her mother. Jaye raves about her mother's cooking and mostly sticks to her mother's recipes. She enjoys cooking for large groups of people, which her immediate and extended family appreciates. Her favorite thing to cook is baked ziti but it's the sauce that makes the ziti. She uses her mother's recipe and it's known in the family as Nana's Sauce.

Jaye has three children and one grandchild, who is her "best buddy!"
